

www.jic-trading.com

Connectors:

- NELTRON Connectors(board to board, board to wire, etc.)
- EURO-BLOCK terminal blocks, connectors spring-clamp and screw-type
- DECA terminal blocks, terminal blocks, connectors spring-clamp (WAGO) and screw-type, interfaces
- Panstrong Modular Jacks and plugs(also SMD and shielded), RJ45, HDMI, USB KOAX, cable assemblies
- Kinsun Modular Jacks and plugs(also SMD and shielded), RJ45
- Amphenol LTW Techn. Waterproof Connector & Cable Assembly(IP68)
- Fixtest batterie probes

Switches:

- Taiway Switches Switches, SMT, push-button, TACT, DIP, potentiometers, encoders
- Baran Adv. Technologies Piezo switches, Piezo Keyboards, Access controls
- BIWIN Technologies DIP-switches
- DECA Selectorswitches, Keylockswitches, Emergencyswitch, Pushbuttonswitches
- ONPOW Anti-Vandal-Metal Pushbutton, Selector-, Keylock-, Emergency-, Pushbuttonswitches
- SUNSON TECH Metal keyboard, industrial keyboard, kiosk keyboard,trackball
- IL Switch Tact Switch, Encoder

Electromechanical components, passive and EMC-components:

- Alutronic Heat sinks (also customer specific) and accessories, milling parts, thermal pads
- HTC Heat sinks (also customer specific) and accessories, milling parts, thermal pads
- STRIKEFAN DC fan, AC fan, waterproof fans
- OBO Piezobuzzer, -discs, transducers, speakers
- PROJECTS UNLIMITED Piezobuzzer, -discs, transducers, speakers
- KITAGAWA Filtering, Shielding, Grounding, Absorbing, SMD Inductor and chokes, mechanical components, thermal pads
- 3L-Coil coils, inductors, SMD-Products, chipferrites
- YDS- Yuan Dean DC/DC, AC/DC Converter, RJ45 Magnetics, Lan Products, Delay Lines, PoE, HF-transformer
- EMEI-Group transformers, thermal pads, EMC-material
- SCHLEGEL EMI-gaskets and static dissipators(carbon-brush)
- FERILEX customer specific wire-wound goods
- HIGH AND LOW in-line filters
- Holy Stone Ceramic Capacitors(high voltage, safety) and SMD tantalum capacitors
- HITACHI Snap-In and large-can electrolytic capacitors
- JIANGHAI Electrolytic capacitors

Optoelectronics:

- YELLOWSTONE LED´s, SMD and radial

Tools for production:

- FIXTEST test contacts for PCB-testing, Contact Sprays
- CMC technical adhesive tapes, screening tapes
- LINDSTRÖM/SANDVIK electronic tools(cutters, pliers, tweezers, torque screwdrivers
- LUXO magnifying lamps
- ELVO electronic soldering stations, seperate 230V/24V
- DEN-ON de-soldering pumps
